Georgian Computer Desk - **DETAILS:**

Our Stand-up Georgian Computer Desks are available in 3' all the way up to 6' 6" widths (in half foot increments/custom widths also available). It is 29" deep but can be extended up to 38" with a rear lift & lock drop leaf extension. Your desks height will be made to order so you can be sure your stand-up desk will fit you perfectly. This model is also available in sit-down models. Basically, we will build your **custom made computer desk** the way you need it to be for your work environment. The solid shelf shown is ideal for a computer CPU, printer, manuals, books or plans. Our raised panel option with the standard Georgian style fluted ends can really give your stand-up desk a look of distinction and elegance. This desk is available in **oak, quarter sawn oak, cherry, maple** (brown or white), **walnut** and **mahogany**. Remember, we can put on any style of drawer pulls you desire and custom match your stain to your existing furniture. Even though some of our standing desks are not adjustable desks you can always get an adjustable chair or a stool.

This desk can also be easily configured to handle **walking treadmills**.

Please check out our drafting tables section for all of our great solid wood drafting tables and adjustable desks.
