## Architectural Drafting Table **DETAILS:**

Our Architectural Drafting Table is the ideal work table for engineers, artists and architects or anyone who wants the versatility and style of an adjustable solid wood standing desk. We believe it is the most professional looking architectural / drafting table on the market today. With nine adjustable levels of height you decide exactly how high you want your desktop to be. Writing, drawing, painting or even reading can be whole new experience as you enjoy the reduced back and neck pressure created from working at a sit-down, non adjustable desk all day. Constructed of solid wood with a gorgeous leather inlay or an all wood veneer top, you decide the perfect style and size of your new ergonomically perfect work environment. One or two center drawers provide ample storage for several sets of plans or drawings. There is even a bit of storage space available underneath the lift top lid.(see example pictures 11 & 12) Available in 3.5', 4', 4.5', 5', 5.5', 6' and 6.5' widths. Total depth 32" up to 36". Table height is custom made to your height and liking. This model can be configured as a treadmill desk upon request. Be sure and read our [Measuring Tips Page](#) to determine what height is best for you. And be sure your entrance way can accommodate this desk. The base rail is removable for straddling door jams.

We offer dozens of stains for each wood species. Custom matches are also available for an additional charge. With your choice of [stain](#) color and your choice of wood, your solid wood stand up desk becomes a one of a kind masterpiece.

Let us find the perfect [stain](#), [wood](#), and [leather](#) to make your Architectural Drafting Table a one of a kind masterpiece. It is a perfect standing work station for many types of jobs. And, you can search the world over and you will be hard pressed to find a more attractive, functional and ergonomically friendly work desk anywhere! The Architectural Drafting Desk's pricing starts at only \$1,395.00 for a 3.5' wide desk.
